

HELPING TO MAKE PUTNAM COUNTY HEALTHIER

At Putnam Community Medical Center, our goal is to deliver the best healthcare available in the greater Putnam County area as we seek to make our community healthier. With the help of dedicated physicians, employees, volunteers and board members, along with your continued support and encouragement, we continue to move forward.

Delivering quality healthcare is a big part of the contribution we make. But there are many other ways a hospital can make a positive impact on the community it serves. Here are a few of the other ways we are making a difference.

Over \$2.4 million in capital improvements

In 2008, we invested over \$2.4 million in our facility which included technology replacement, information technology additions/updates, and routine facility upkeep and maintenance.

Contributing to our local tax base

Last year, Putnam Community Medical Center paid over \$1.3 million in taxes that have helped to support our city, county and state. This included sales taxes as well as property taxes. These dollars help to support local schools, development of roads, recruitment of business and industry, and other needed services.

Helping those in need

Putnam Community Medical Center provided over \$115.2 mil-

lion in uncompensated care last year, which included the amounts not covered by government-sponsored programs such as Medicare and Medicaid. This amount includes more than \$17 million for charity care and bad debts, incurred as we cared for many people without sufficient resources.

Adding to the medical staff

During the past year, Putnam Community Medical Center added several new physicians to our highly respected medical staff, including specialists in general surgery, internal medicine and pediatrics.

Dan McLean, CEO
*Putnam Community
Medical Center*

One of our community's major employers

With an annual payroll of \$26.9 million to more than 550 employees, Putnam Community Medical Center is one of the largest employers in the region.

We thank you for choosing Putnam Community Medical Center for your healthcare needs. With your support, together we can make an even greater hospital and a healthier community.
